Dear Parents

What could I do after GCSE's?

Sir Thomas Boughey High School is holding its annual post-16 information evening for our Year 10 & Year 11 pupils and their parents on Thursday 26th January 2012. With the ever changing economic climate, planning for post-16 courses is vital for our pupils and the earlier they start thinking about their destination post-16 the better prepared they are.

The evening will start at 6.30pm with a short presentation on the options available to our pupils when they leave school. You will then have the opportunity to meet and discuss with staff from the providers listed below. If your child is planning to continue their education beyond 16, it is important that you and your child attend this evening. You will gain a much fuller picture of the opportunities and courses available to your child post 16.

Invited guests include:

Newcastle-under-Lyme College
South Cheshire College
Martec Training
Co-operative Bank & Insurance

City of Stoke Sixth Form College
Reaseheath College
Project Management Ltd
Army Careers

Connexions
Stoke-on-Trent College

Yours sincerely
