

15th October 2013.

Dear Parents

On **Friday 18th October 2013**, we shall be holding a fundraising activity, raising money for Genetics Disorders UK and Breast Cancer UK. These two charities are ones we have supported in the past and the pupils have requested we once again support.

Our singing group, 'Harmonize' is performing in 'A celebration of Music by Newcastle schools for Breast Cancer Campaign' on the 22nd October 6pm - 8.30pm at St Giles Church in Newcastle. Six schools are taking part with each school performing for a short slot. The concert is part of 2013's Paint The Town Pink from October 21st-November 2nd 2013. The group, assisted by the School Council, have held additional fundraising activities in school and will take their donation to the Breast Cancer Campaign to present on the evening.

On Friday 18th October 2013, we are holding a "Jeans for Genes Day" where for £1 donation pupils will be allowed to wear their jeans to school. They **must** wear the remainder of their full school uniform, including school shoes, with their jeans. Alternatively, if pupils do not wish to wear their jeans, they may bring a donation in. All donations to be handed to form tutors on Friday please.

The money raised will be split between the two charities.

Thank you for your support.

The School Council
