

Dear Parents

What could I do after GCSE's?

Sir Thomas Boughey High School is holding its annual post-16 information evening for our Year 10 & Year 11 pupils and their parents on Thursday 24th October 2013. With the ever changing economic climate, planning for post-16 courses is vital for our pupils and the earlier they start thinking about their destination post-16 the better prepared they are.

The evening will start at 6.30pm with a short presentation on the options available to our pupils when they leave school. You will then have the opportunity to meet and discuss with staff from the providers listed below. All pupils now continue their education Post 16. The current Year 10 pupils will be spending an additional 2 years in education post 16, it is therefore vital that you and your child attend this evening. You will gain a much fuller picture of the opportunities and courses available to your child post 16.

Invited guests include:

Newcastle-under-Lyme College
Staffordshire Careers Service
Reaseheath College
Martec Training
