Report

Football should be played on the floor – and it was. The team were blue wasps, buzzing with intent from the first whistle. Captain Hopwood scored the first goal after 3 minutes. Then, Yosief finished an intricate passing move down the left hand side with a crisp finish. Three more goals followed in the second half with Yosief, Sir Frederick of Doorbar and Jack Barlow all adding to the tally. Ryan Key in goal had nothing to do and did it brilliantly. A fantastic team performance. Monday was chalk. This was cheese. Bring on the next round. Well played to all.
