Dear Parents/Carers,

## Multi Academy Trust

I am writing to inform you that the Governors have decided to delay the process of converting to a Multi Academy Trust.

This decision has been made as the Governors felt the new Head teacher (when appointed) should be involved in the process and the future of our school to ensure the children have the best education that Sir Thomas Boughey High School can provide.

Yours sincerely,

Mrs Kelly Beeston  
Chair of the Governing Board
