March 2017

Dear Parents,

As part of our consultations regarding the school's conversion to a MAT there has been some discussion about uniform.

We are taking this opportunity to forewarn parents that there will be some changes made as of September 2017.

We are aware that parents often purchase or replace school uniform in the summer term to avoid a last minute rush but we are suggesting that, until the changes are confirmed, purchases of new uniform are delayed until we have accurate information. We will provide this information as soon as possible but we are anticipating the following changes: more formal school shoes and trousers and possibly a new badge design (this will not require a new blazer). All other items will remain the same and can be replaced as necessary.

Rest assured that changes will not require the purchase of whole new uniform for those pupils already at school.

May we also take this opportunity to remind parents that neither jewellery (especially multiple and inappropriate piercings), false nails/ varnish nor excessive make up are part of our school uniform. Pupils can expect to be dealt with in the appropriate fashion should they infringe these uniform rules.

We trust that you will continue to support the school in the drive to improve in all areas.

Yours faithfully

Mrs T Robbins
Assistant Head
