July 2017

Dear Parents / Carers,

We are delighted to be able to tell you that we have now received confirmation from the Secretary of State for Education and the Regional Schools Commissioner that an Academy Order has been granted for us to become an Academy from 1<sup>st</sup> September 2017.

We are all looking forward to joining United Endeavour Trust as a substantive partner and building on the work that we have already started with other schools in the Trust. We are excited about the potential we see for further improving outcomes in our school as a result of working in this way.

Preparations are well underway for our launch as an academy on September 1st and we have already done substantial work on reorganising our Governance, Leadership structures and staffing teams in order to improve our practice and ensure that we focus on our school improvement priorities. We have already responded to many of the recommendations for change highlighted by our recent Ofsted inspection. As you will know, we have focussed on improvements in behaviour for learning, the curriculum offer for our students and we are looking forward to taking further student opportunities to support pastoral improvement into next year.

Yours faithfully

Mrs Hingley

Headteacher
